I want to continue to serve on the board of DuTrac because I feel I represent the average member. I have gone through all the stages from a young single teen to a newlywed, young father, bought and built numerous homes, and bought many automobiles and campers. I am now semi-retired and a grandfather of 12. DuTrac Community Credit Union has supported me every step of the way. Now is my time to give back to those who have served before me and those who are at their beginning stage of life. I enjoy out-of-the-box thinking and technology to serve our members now and into the future.
